BRINGS SUIT FOR DAMAGES TO AUTO

Luther H. Frye of Twilight has filed a suit against the Taxi Transportation company to cover $3,000 damages for alleged personal injuries alleged to have been sustained when one of the taxis of the transportation company collided with his automobile on December 21, 1918. The accident occurred at the upper end of McKean avenue, near the Charleroi brewery.

MEN IN SERVICE ON ASSESSMENT LIST

Borough Assessor W. S. Piersol has placed the names of 226 soldiers four marines and five sailors all of them citizens of Charleroi, on the assessment books of the borough, that they may have the privilege of voting at the coming election by the payment of their state and county tax.

Mr. Piersol is aware that the number noted above does not include all of the citizens of the borough who are serving their country in one of the various branches and will add any name not now on the list which is called to his attention.

Men from Charleroi now serving the army, navy or marines on being discharged from service, and returning home, will be entitled to vote providing they are assessed and have their taxes paid. If they are not assessed they will not be permitted to vote. This is a very important matter and relatives of men now in service should see that their names are placed on the list, if they are entitled to be there.

PLANS AGAINST INFLUENZA RETURN

The Washington, Pa., board of health is calling the attention of the public of that community to the development of new cases of influenza since the holidays. The board says that the increase in cases since the holidays has been so noticeable that conditions are really alarming, and for this reason drastic steps will be taken to stamp out what bids fair to become a return epidemic.

In order to avoid a renewal of the ban, the board of health has given instructions that all places of amusement must be well ventilated as well as places of business and trolley cars and schools and churches, and that there must be no overcrowding. The number of new cases reported in Washington on Wednesday was 130.

Draft Board Makes Report on Activities

The following brief account of the activities of the Selective Board of the Fifth District of Washington county, whose headquarters were located at Donora during the period of the war, and which is now closing up its business with the government, has been furnished the Mail:

The Local Board for Division 5, Washington county, organized in July, 1917, the following members having been appointed to serve: John O. Watson, North Charleroi, Chairman; Dr. C. B. Wood, Monongahela, Medical Examiner, and Gilbert E. Kodel, of Donora, Secretary. Dr. Wood resigned in March, 1918, Dr. R. V. Stewart, of Monongahela, was appointed to succeed him and served during the latter months of the activities of the Board.

During the time in which the Board was active in summoning men for service the following physicians assisted in examining registrants:—Drs. J. Ad Sprowls, W. H. Lewis, M. H. Day, and F. A. Ley, of Donora; J. W. Hunter, J. Clive Enos, T. H. Faddis, V. P. Vieslet, A. S. Sickman and J. W. Ferman, of Charleroi, and J. C. Erisbine, H. P. Lynch and F. H. Underwood, of Monongahela.

At various times, in order that reports be sent to Selective Service Headquarters and Provost Marshal General on time it was necessary to call for volunteer assistance. In every instance there has been an immediate response to such calls, much expense to the United States Government being saved in this way.

This board wishes to express their most sincere thanks to each individual who so loyally assisted in this work and to especially thank the Public Schools and High Schools of Donora, Charleroi, North Charleroi and Monongahela. The Donora Womans Committee, Council of National Defense, and the Donora Woman's Club.

On each occasion of a contingent of soldiers being forwarded to camp, the Red Cross Chapters of the various towns within the jurisdiction of this Local Board, supplied such soldiers with sweaters and numerous articles for their comfort.

Moreover, many citizens also assisted when contingents of men were being sent to various cantonments, and in all these demonstrations none were more assiduous in their attention than Jacob Wise, Commander of the Veteran Guard, of Charleroi, who was present to see every soldier who left from the Fifth District to entrain for his training camp.

The statistical report of the Board is as follows:

Charleroi Wins Opener From Uniontown Team

Charleroi High school opened the basket ball season of 1919 on the home floor Friday evening, having the strong Uniontown team as its opponent. The visitors were a bunch of "huskies" who knew the game all right, but they were not fast enough for the Charleroi players, who, under direction of Capt. Glunt, showed that "old High School pep" which has brought so many championships to the local institution.

Charleroi was the first to score when the ball was taken just after the toss-up for the opening and the result was a field goal for the locals, and this seemed to give Capt. Glunt's men confidence, for while the first quarter ended in a tie score of four to four, the locals seemed to hold the edge all the way during the game. In the second quarter the locals displayed a series of plays that were puzzling to the visitors, but this period was marred by an arument over a foul which ended in the banishment of Tyson, who was playing a guard on the visiting team. The score at the end of the first half was 9 to 7 in favor of Charleroi.

Both teams ran on a 50-50 basis during the third period, which ended with a score of 10-10, Uniontown managing to overtake the locals but not being able to pass them. In the final period Charleroi ran away with the game, scoring seven points, while the best the visitors could do was to score 2, the final score being 17 to 12 in favor of Charleroi.

A feature of the evening was the foul shooting of Wagner, while Capt. Glunt, Weaver and Brown played strong games, Brown's work being particularly noticeable. The lineup and score:

CHARLEROI—17		UNIONTOWN—12
Glunt, Capt	F	Frances
Wagner	F	L. Cornish
Hill	C	Funk, Capt
Weaver	G	Tyson
Brown	G	E. Cornish

Substitutes—Uniontown, McElwain for Tyson, Stone for L. Cornish, Kaminsky for McElwain. Charleroi, Schmeiler for Hill.

Fouls—Charleroi, Wagner 11 out of 18; Uniontown, Tyson 3 out of 14. Stone 5 out of 11.

Goals—Charleroi, Wagner, Glunt, Weaver, Uniontown, Funk 2.

A preliminary preceded the big game in which the Pershing Club and the Methodists, which was won by the Pershings, score 39 to 14.

DR. SAM W. SMALL, NOTED ORATOR, SPEAKS IN CHARLEROI ON SUNDAY

A Veteran of the Civil and Spanish-American Wars

A FRIEND OF PRESIDENT WILSON

On Sunday, January 5th Dr. Sam W. Small of Georgia will speak in Charleroi, taking thesermon time at the M. E. church in the morning and at the Washington Avenue Presbyterian church in the evening. Both of these services will be in the nature of Patriotic Prohibition rallies and Dr. Small is eminently qualified to be the speaker. As a veteran of the Civil and Spanish-American wars, and wearing a service pin on which appears three stars, his patriotism cannot be questioned, while his long years of service in the fight against John Barleycorn gives him the right from that standpoint also.

Sam Small has lived a life crowded with experiences and incidents that rarely come to an individual. Beginning as private secretary to Ex-President Andrew Johnston when a young attorney in Tennesse, Dr. Small has been in public life for nearly half a century. As editor of the Atlanta Constitution, and as author of several books, he had won a reputation as a writer that places him among the prominent men of the South. As a soldier of the Confederate Army and then as a staff officer in the Spanish-American war, Dr. Small came in contact with those things which every soldier knows and realizes. His three sons have been and are at the present time in the service of their country, two of them actively on the front in France, when the armistice was signed.

As a personal friend of President Wilson and Secretary McAdoo, Dr. Small has been in close touch with the administration at Washington, and therefore in his presentation speaks with some degree of authority. His humor and clear logical way of presenting a subject has made him a popular speaker on the Chautauqua platform, and there is today perhaps no public speaker in the Country who attracts larger audiences in a public address. In the past twenty-five years he had made many speeches, and because of his activity for temperance legislation, has won a host of friends. At the present time he is speaking almost entirely in Pennsylvania and has been heard from the church pulpits and platforms in most of the large cities. His coming to Charleroi will undoubtedly mean large audiences with strong and clear-cut addresses.

RIVER IS BACK TO A NAVIGABLE STAGE

The Monongahela river has fallen so rapidly that it is once more at a naviable stage, but it is likely there will be but little activity until the first of the week. The mines which were compelled to shut down on Wednesday will not resume until Monday, which will mean but few loaded crafts in the upper pools. Some loaded barges remained at a few tipples, which will be brought out the beginning of the week.

FLOOD SHUTS DOWN MAPLE CREEK MINES

The Warner-Leonard mines on Maple creek were closed down Thursday by the high water in the Monongahela river. The back water from the rising flood completely flooded the lower Maple creek valley and covered the railroad tracks for quite a distance. This made it impossible for the mine to load at the lower tipple, as well as operate cars for the benefit of the upper mine. The Pennsylvania railroad company pushed a string of steel hoppers on the road leading to the mines Thursday morning, possibly with a view of holding the tracks in place as they had only been put in last summer, the fill in many places being quite soft. The flood at one place covered the tracks of the West Side car line, and passengers late in the afternoon and evening had to walk from Lincoln avenue extension into town. However, normal conditions on this service were resumed this morning. The mines will not likely be able to do anything more this week.

WANT RECORD OF ALL ENLISTED MEN

In this issue of the Mail appears a War Service Record blank of the War History Commission, Pennsylvania Council of National Defense. It is being circulated to obtain all information for purposes of official record of Pennsylvania boys serving in the Army or Navy of the United States or of any of the Allies during the great war. So that no name may be omitted from the Commission's official and permanent Honor Roll, families and friends of all service men are requested to fill out the War Service Record blanks and forward them to the Commission's headquarters, 1300 Locust Street, Philadelphia. Read the blank carefully and comply with the request today. You will be honoring your soldier or sailor boy by so doing.

BORROWED APPLAUSE

A copy of an after-dinner speech printed for circulation which contains "laughter" or applause" in brackets at many points prompts a correspondent to ask why this method could not be profitably employed by writers of fiction "to suggest to their readers a desired mental attitude." Perhaps the best answer to such a question, if anything more than a jest, is to be found in the story of the Emperor Nero's efforts to force his recitations upon unwilling hearers. Nero's "songs" or dramatic monologues sometimes lasted four or five hours and it was the Emperor's custom to post watchful soldiers right and left in order to make sure that the applause was abundant and that nobody yawned or tried to escape from the theatre. To exhibit the slightest impatience, weariness or lack of delighted attention was to invite immediate activity on the part of the public executioner. Nevertheless, according to Seutonius, occasionally a man who could endure no more rushed madly forth, perferring the sword of the executioner to death from boredom.

This ancient illustration proves conclusively that, though with a club or with money applause may be forced, only a good performance can rouse real admiration. The skilled writer knows that the less he obtrudes his personality or reveals confidence in his own powers the greater are his chances of pleasing, and of course any performer, whether speaker, singer or actor is most fortunate when he encourages spontaneity and the greatest freedom. Nero could and did force his vaudeville stunt upon a Senator's private party and make the Senator pay him nearly $40,000 but the modern entertainer must offer something good even to gea a hearing to say nothing of applause.

LICENSE REVOKED BY COUNTY COURT

The court at Greensburg a few days ago on petition of District Attorney Cort revoked the liquor license of Joseph F. Keller, proprietor of the Keller Hotel, in the First ward of Mt. Pleasant, for violation of the Brooks law and the influenza quarantine.

It was shown that the defendant sold liquor during the quarantine in Mt. Pleasant in suit case lots. To one man he sold 20 quarts, furnishing a grip in which to carry the liquar home. To another party he sold 12 quarts, another four quarts and smaller quantities to many others. President Judge A. B. McConnell, in revoking the license, said that it was open, notorious, willful and scandalous violation of the law and rebuked the defendant sourly.

This makes two liquor licenses that have been revoked in Mt. Pleasant, that of August Spelker of the Third ward, having been taken from him some time ago for permitting a woman to tend bar.

LEGISLATORS LEAVE FOR HARRISBURG

Messrs. George T. Walker and David M. Curran of Washington, two of the three members-elect of the general assembly from Washington county, left today for Harrisburg to be ready for the opening of the biennial session of the legislature. Dr. J. Add. Sprowls, of Donora the third member as well as Senator Joseph A. Herron, of Monongahela, will leave for Harrisburg Sunday.

The Republican caucus, which all the members from Washington county will enter, will be held next Monday evening, at which time a candidate for Speaker as well as minor officers will be named. After the election of the Speaker, which will take place next Tuesday, it is likely the legislature will adjourn until about the 20th of January the day before the inauguration of Governor-elect Sproul.

WOULD NOT FIGHT AGAINST BROTHERS

Adam Catale of Fayette City, appeared before Local Board No. 3 at Brownsville on Tuesday and gave himself up as a deserter. Catole registered in June, 1917 and at that time he put in an industrial claim which was taken to the district board at Greensburg, where it was refused. When it was time to be called for service he left Fayette City for Trinidad, Colorado, where he remained working on a ranch from September 23, 1917, up until about a month ago, when he returned home. His reason he gave to the board for not appearing is that he had two brothers and four uncles fighting with the Austrian army and he did not want to fight against them. He was taken Wednesday morning to Columbus Barracks by Chief Patterson of the Brownsville police, as a deserter.

BARGES BREAK AWAY, CAUGHT BY STEAMER

Barges owned by the Coal company and harbored at the Crescent mine a short distance above California almost got away Wednesday morning when the river was rising so rapidly. The steamer Jim Brown was looking after the fleet at the time, but the current finally became so strong that the lines parted and the barges started down the river. However the steamer J. C. Risher, which was also on duty in that vicinity gave chase and caught up with the fleet, bringing it back and harboring it at the Chanoine mine. The incident was very exciting for a time but it resulted in no loss to the owners.

THE MEN IN CLASS A1

A sound, healthy man is never a back number. A man can be as vigorous and able at seventy as at twenty. Condition not years, puts you in the class. A system weakened by overwork and careless living brings old age prematurely. The bodily functions are impaired and unpleasant symptoms appear. The weak spot is generally the kidneys. Keep them clean and in proper working condition and you will generally find yourself in Class A. Take GOLD MEDAL Haarlem Oil Capsules for a few days and your system will always be in fine order. Your spirits will be enlivened, your muscles supple, your mind active, and you are more capable of hard work. Don't wait until you have been rejected. Commence to be a first-class man now. Go to your druggist at once. Get a small box of GOLD MEDAL Haarlem Oil Capsules. They are made of the pure, original, imported Haarlem Oil—the kind your great grandfather used. Two capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you. Remember to ask for the imported GOLD MEDAL Brand. In three sizes, sealed packages.

HONOR SOLDIERS BY MEMORIAL BUILDING

A movement is on foot in West Virginia to erect a memorial hall at the State University, Morgantown, in honor of West Virginia soldiers who served during the greater war. The movement has the endorsement of many prominent citizens in the state and it is likely the project will be carried through. Mt. Pleasant in our own state a similar movement is under way, and it is not unlikely that other communities will take up the idea with view of erecting memorials of a similar character. A memorial building seems to appeal to the people with more force than a monument. A building would be a public benefaction in which the soldier and his people would enjoy its advantages and its accommodations.

CUT DOWN THAT TREE

Once upon a Time a Certain Man had a Garden. In the center of the Garden he plant... den. The ... Fact that he must cut Down the Tree. The Mail Order habit, like a Deadly tree has fast... ened its Roots in our Community Life and is robbing Us of Thousands of Dollars each Year. Historic English Homestead.

Shottery, homestead of the family of Shottery, brought to the hammer at Stratford-on-Avon recently, was the house in which Shakespeare and Anne Hathaway are said to have plighted their troth according to the ancient rite of "handfast."

Aleppo Once of Importance.

In ancient days Aleppo was a depot on the great trade trail between India, the regions along the Tigris and Euphrates, and the Mediterranean. Although it has lost much of its commercial importance, it still sends to Alexandria the products of Mossoul and Bagdad.

Reports from the west indicate that the cold wave, now here, will be "on its way" by tomorrow. This has been the first real touch of winter we have had and is of the seasonable variety.

Every Name is Wanted For the Official State Records.

Read the above questions carefully and answer them fully so that honor may be given where honor is due. The State of Pennsylvania and its gallant defenders. The War History Commission, of the Pennsylvania Council of National Defense, is compiling an official record for historical purposes, of the men who, during the war, entered the military and naval service of the United States or the Allies.

Those men who voluntarily enlisted are, in particular, apt to be missing from the Honor Roll unless their relatives or friends do their duty. But all names, whether those of men who enlisted or who entered the service when drafted are wanted.

Send a record blank aboard for your soldier or sailor boy and mail it without delay.
